Buy Viagra Pills Online - Where to Order Real Viagra?Viagra is a prescription-only medication. Do NOT take Viagra unless you have a valid prescription for it. Viagra has been available in the market since 1998, and it's well known and used worldwide as one of the best, maybe even the very best, ED drug. It's also known as You probably have seen lots of advertisements on the internet promoting generic Viagra. In fact, most of those offers are no more than scams promoting fake Viagra. Pfizer-made Viagra (aka brand Viagra) is the only FDA approved form of Sildenafil. There's no generic version of Viagra that is approved by the FDA, and all such drugs are illegal in the U.S. and generally fake/noneffective.

VIAGRA (sildenafil citrate)

About Erectile Dysfunction (ED)

The Erection Hardness Score is a self-assessment tool used in VIAGRA clinical studies to assess erection hardness in men with ED. Try using it to rate the hardness of your own erection. Then, discuss the results with your doctor.If you are older than age 65, or have serious liver or kidney problems, your doctor may start you at the lowest dose (25 mg) of VIAGRA. If you are taking protease inhibitors, such as for the treatment of HIV, your doctor may recommend a 25 mg dose and may limit you to a maximum single dose of 25 mg of VIAGRA in a 48-hour period.
