We specialise in providing effective treatments for a number of common lifestyle conditions, such as impotence and erectile dysfunction, baldness, obesity, premature ejaculation, influenza, FSD and smoking cessation. Our services act as a compliment for traditional bricks and mortar medical care. When you select a

treatment option for your condition, you will be asked to fill in an online consultation. This will be looked over by one of our EU registered doctors, who will prescribe you the treatment if you are considered safe and eligible for your chosen medication. All medications we provide are genuine and dispatched from registered EU pharmacies. Please note that prices displayed are indicative and form part of the prescribing process.
