Behind the Smokescreen:

Blowing Smoke - Tobacco Industry Youth Prevention Ad Campaigns

Four countries (China, U.S., Brazil, and India) produce two-thirds of the world's tobacco. The tobacco industry has targeted teens for decades. The industry's own documents prove it. Now, some tobacco companies want us to believe that they have reformed their deadly ways with tobacco prevention campaigns aimed at kids. 333 Pacific - 333 North Pacific Street, Oceanside, CA 92054 | Cohn
